2015 MALBEC SIMILKAMEEN

Time to pull off the BBQ cover, grill fajitas and enjoy a glass of our luscious Malbec. Grown in the Similkameen Valley, this Malbec is generously expressing rich ripe fruit, struck stone and dried berry aromatics with notes of salty umami. We had a much warmer vintage in 2015 resulting in a Malbec that is dark & brooding with soft tannin. Barrel aged for 1 year in French oak, this delicate Malbec will delight everyone at your next family gathering.

2018 ZWEIGELT ~ *New Release*

An exciting new varietal has arrived at Bench 1775! Grown in our Stone Slope vineyard, located in the Similkameen Valley of Keremeos, is our Zweigelt. This hybrid grape originated in Austria back in the 1920's & happens to be named after the professor who created it, Dr. Fritz Zweigelt. With notes of raspberry, bright cherry, spicy red peppercorn & salty licorice, and aromatics of brambleberry pie, this wine's structure & body has pronounced tannin with a soft, long lasting finish suited best for your first Spring time picnic at the park.

2014 CABERNET SAUVIGNON MERLOT

Library Release!

A treat we've pulled out of our library, the 2014 Cabernet Sauvignon Merlot is sure to delight you & your guests no matter what the occasion. Carefully grown fruit yields this luxurious expression of Cabernet Sauvignon & Merlot in perfect balance with traditional French oak. Barrel aged for 12 months, and bottle aged for another 4 years, this blend will envelop your palate with tastes of plum, blackberry & velvety smooth tannin.
