SWEET WINE CLUB

2018 Whistler Sauvignon Blanc VQA Icewine

An exciting wine with intense expression of Sauvignon Blanc Varietal character: rich tropical fruit notes and zingy bright acid. Tropical guava, pineapple and gooseberry on the nose. Intense tropical fruit notes with bright lemon and grapefruit acid notes with delicate creamy notes on the palate. A smooth finish, with tropical sweetness balanced by a bright acidity. Luscious! This delightful wine can be enjoyed alone, with fatty foods like pate, or cheese or paired with dark chocolate and desserts low in sweetness.

2017 Whistler Pinot Gris VQA Icewine

GOLD Medal Winner ~ 2019 WineAlign National Wine Awards of Canada

Our Whistler 2017 Pinot Gris Icewine is a rare icewine made from a wine grape variety made famous in Alsace. Usually done in a late harvest style, this icewine offering captures the concentrated essence of orchard fruits: pear, apple and quince. An exceptionally well-balanced icewine exhibiting sophistication and elegance. The clean exotic fruit flavours excite the palate and linger through on the long finish. You can enjoy this beautifully balanced and elegant wine with delicate shortbread, biscotti, lots of deserts and with different types of cheeses, but also tremendous on its own as an apéritif.

2017 Sunset Late Harvest Merlot

The 2017 Sunset Late Harvest Merlot is a high-quality red wine made with Merlot grapes. Flavors of sweet spices dominating the aroma, smooth and rich palate delivering velvety and prolonged finish. Satisfy your simple pleasures with a glass of top-rated Late Harvest Merlot while snacking on some delectable deserts; fruit salad, chocolate, or cheesecake to name a few.
