

SEMILLON

2016

TASTING NOTES— Sourced from both Naramata and Oliver fruit, this wine is a blend of cool climate and warm climate expression of Semillon. From our cool vineyards in Naramata, the wine is pungent with green herbal and citrus notes. From our warmer vineyard in Oliver, the wine is full bodied and more tropical in expression. Blending together gives the best of both expressions resulting in a wine best enjoyed with food. Pair with dark fish, roasted or bbq chicken and pork, or spring vegetables cooked in butter.
