

# SAUVIGNON BLANC ICEWINE 2018

**TASTING NOTES—** An exciting wine with intense expression of Sauvignon Blanc Varietal character: rich tropical fruit notes and zingy bright acid.

On the Nose: Tropical guava, pineapple and gooseberry.

On the Palate: Intense tropical fruit notes with bright lemon and grapefruit acid notes with delicate creamy notes. A smooth finish, with tropical sweetness balanced by a bright acidity.

Luscious!

Serving: The Sauvignon Blanc icewine is an exciting wine that shows the tightrope qualities of tropical sweetness and bright intense acidity. This delightful wine can be enjoyed alone, with fatty foods like pate, or cheese or paired with dark chocolate and desserts low in sweetness.
