2016 Paradise Ranch Cabernet Sauvignon Icewine

Indulge in the depths of our 2016 Cabernet Sauvignon Icewine, where you'll discover the opulence of creme de cassis and blackberry compote layers, intricately woven with nuanced notes of black tea and cocoa.

2019 Paradise Ranch Merlot Icewine

Experience the intricacies of our 2019 Merlot Icewine, where the bouquet beckons with notes of stewed red fruit and rich black cherry, while the palate delights in caramelized plum and subtle hints of treacle. Luxuriously full-bodied, it captures the essence of cherry cordial and the warmth of a Christmas cake.

2018 Whistler Sauvignon Blanc Icewine

An exhilarating Sauvignon Blanc icewine, marrying rich tropical fruit flavors with lively acidity. Guava, pineapple, and gooseberry aromas precede intense tropical fruit notes on the palate, complemented by bright lemon, grapefruit acidity, and a silky finish. Ideal on its own or paired with savory dishes, cheese, dark chocolate, or mildly sweet desserts, it achieves a perfect balance between sweetness and acidity.

2019 Whistler Riesling Icewine Similkameen Valley

Harvested in early February at -10°C, the Riesling produced juice with 39 brix after pressing. Fermentation lasted 3.5 weeks, halted at 12.6% alcohol. Aromas of honey, peach, mandarin oranges, and apricot carry onto the clean, sweet palate. Pair with terrines, foie gras, pineapple upside-down cake, or robust cheeses like blue or Parmigiano Reggiano.
