WHITE WINE CLUB

2023 Estate Sauvignon Blanc

Estate-grown and harvested in late September for optimal ripeness, this Sauvignon Blanc was whole-cluster pressed and fermented in stainless steel. It showcases classic notes of fresh-cut grass, asparagus, passion fruit, and grapefruit. Pair with fish tacos, Thai green curry, salade niçoise, miso-glazed sablefish, Gruyère, and aged Gouda.

2020 Riesling Brut

Sourced from the This is It vineyard, this off-dry brut was whole-cluster pressed, fermented in stainless steel, and aged on lees for 14 months. Inspired by German Sekt, it features floral, apple, pear, peach, and citrus notes. Pair with pork schnitzel, tempura, prosciutto-arugula pizza, spicy pakoras, pho, or Thai fish cakes.

2020 White Meritage

A blend of 50% Sauvignon Blanc and 50% Semillon, aged 14 months in 40% new French oak. Grapefruit, herbaceous notes, pineapple, and citrus dominate the nose, with a medium-weight palate featuring lime, guava, passionfruit, and subtle vanilla. Pair with oysters, spot prawns, asparagus risotto, or sushi.

2021 Roussanne

Inspired by Northern Rhône blends, this stainless steel-fermented Roussanne is crisp and aromatic, with floral, chamomile, pear, mandarin, apricot, and honey notes. Its vibrant acidity makes it exceptionally food-friendly. Pair with Bouillabaisse, lobster roll, creamy pastas, vegan spring rolls, chana masala, smoked Gouda, mild cheddar, and triple cream Brie.

2022 Riesling

From the This is It vineyard on Naramata Road, this Riesling was handpicked and whole-cluster pressed, then fermented in stainless steel. With 30g/L residual sugar, it balances sweetness with high acidity. Aromas of lime, pear, mango, and lilies lead to flavors of green apple, citrus, peach, and honey.
