RED & WHITE WINE CLUB

2020 Petit Verdot

Crafted from select Osoyoos fruit, this small-lot Petit Verdot shows remarkable depth and intensity, with bold aromas of blackberry, blueberry, and plum layered with violet and spice.

Full-bodied and structured, it delivers concentrated dark fruit with hints of espresso and clove.

2022 Pinot Noir

Hand-harvested from our Naramata Bench estate, the 2022 Pinot Noir was de-stemmed, cold-soaked for seven days, and naturally fermented before basket pressing. Aged 12 months in 40% new French oak, it shows silky texture with cherry, raspberry, and earthy mushroom notes, layered with clove and vanilla.

2020 Cabernet Franc

Crafted from Osoyoos fruit, this Cabernet Franc balances New World brightness with Old World finesse. Medium-bodied and silky, it offers raspberry, cherry, and violet notes with hints of spice, cocoa, and herbs, finishing long and elegant.

2020 White Meritage

A 50/50 blend of Sauvignon Blanc and Semillon aged 14 months in French oak. Aromas of grapefruit, pineapple, and citrus are layered with vanilla and lemon curd, leading to a vibrant palate of lime, guava, and toasty oak on a long, elegant finish.

2022 Riesling

Handpicked from the This Is It Vineyard on Naramata Road, this Riesling was whole-cluster pressed and fermented in stainless steel. With 30 g/L residual sugar, it strikes a perfect balance between sweetness and bright acidity. Aromas of lime, pear, and mango lead to flavours of citrus, peach, and honey with a refreshing finish.

2023 Pinot Gris

Hand-harvested from our Parsons Vineyard in Okanagan Falls and our estate vineyard in Penticton, the 2023 Pinot Gris reflects the unique character of both sites. Each lot was fermented separately and blended to create a medium-bodied wine with floral aromas and flavours of apricot, pear, and citrus. Vibrant and refreshing, it pairs beautifully with seafood, sushi, and soft cheeses.
