

BENCH775®

RED & WHITE WINE CLUB

2020 Red Meritage

A classic Okanagan blend aged over two years in French oak. Deep ruby with black cherry, cassis, and blackberry layered with dried herbs, cocoa, cedar, and vanilla. Medium-plus bodied with dark fruit, polished tannins, and savoury hints of thyme and tobacco. Long, mineral finish.

2021 Cabernet Sauvignon Syrah

A bold South Okanagan blend of richness and structure. Deep garnet with cassis, blackberry, and black cherry layered with black pepper, smoked meat, violet, and cedar. Full-bodied with ripe black fruit, dark chocolate, espresso, and licorice. Syrah adds spice and juiciness, while Cabernet brings structure and length. Long, warm, savoury finish. Perfect with grilled meats, brisket, and Korean BBQ.

2020 Cabernet Sauvignon

From Upland & Maynard Vineyards on the Naramata Bench, aged 24 months in French oak. Deep ruby with aromas of blackcurrant, red cherry, and plum layered with sage, graphite, vanilla, and cedar. Medium-plus to full-bodied, showing cassis and dark cherry with notes of espresso and baking spice. Refined tannins and bright acidity lead to a long, elegant, savoury finish. Pair with steak, lamb, mushrooms, and aged cheeses.

2022 Glow Rosé - Gold Medal

Made from 100% Naramata Bench Pinot Noir sourced from two estate vineyards. Bright and lively with notes of strawberry, candied cherry, and rhubarb. Fresh, fruit-forward, and delicately textured, finishing crisp and dry. Pair with melon & prosciutto, olives, lobster rolls, tacos, gyros, souvlaki, and Thai noodle salad.

2023 Chardonnay

Pale gold with a youthful shimmer. Aromas of ripe pear and white peach are layered with lemon zest, white blossom, baking spice, and toasted hazelnut. Medium-bodied and beautifully balanced, where round orchard fruit meets mineral tension. Subtle French oak adds texture and finesse, with flavours of baked apple, citrus curd, and soft vanilla leading to a clean, persistent finish.

2021 White Meritage

Pale gold with a faint green shimmer, bright and inviting in the glass. Sauvignon Blanc brings grapefruit zest, gooseberry, and fresh herbs, while Semillon adds honeysuckle, lemon curd, beeswax, and white peach with gentle oak spice. Medium-bodied with a silky texture, lively citrus and green apple are balanced by pear, melon, and creamy mid-palate depth. Bright acidity carries a long, clean finish with citrus peel and subtle beeswax.
